

Digger Dog® loves the Fall Season

especially the smell of pumpkin pie! But, what Digger Dog® can't smell is carbon monoxide (CO) gas. CO is dangerous and odorless gas. Fall is a great time to check that you have a CO alarm installed on every floor of your house.

Have fun coloring some of Digger Dog's® favorite things about fall. Can you find the hidden CO alarm?

REMIND GROWN-UPS to review your CO alarm's model specifications and be sure to learn the warning noises it makes. And remember, if your CO alarm goes off, **LEAVE** the area to get to fresh air, **CALL 9-1-1** and **DO NOT GO BACK** until repairs are made.
