

Digger Dog® loves playing in the leaves

As you color the leaves, learn
about important carbon
monoxide (CO) safety tips
from Digger Dog®
and his friends.

CO alarms should
be on every floor
of your home.

When a
CO alarm goes
off you will
hear a series
of beeps.

If a CO alarm
beeps, **LEAVE**
the area to get
to fresh air.

First Name Age

REMIND GROWN-UPS to review your CO alarm's model specifications and be sure to learn the warning noises it makes. And remember, if your CO alarm goes off, **LEAVE** the area to get to fresh air, **CALL 9-1-1** and **DO NOT GO BACK** until repairs are made.
