

Whose kite is whose?

Help Digger Dog® and his friends untangle their kites and learn about natural gas safety. Natural gas smells like rotten eggs, and if you smell rotten eggs, **STOP** what you are doing, **LEAVE** and **CALL 911**.

Can you figure out who has which kite?

Which kite is Kevin's?

Answer: _____

Which kite is Digger Dog's®?

Answer: _____

Which kite is Alex's?

Answer: _____

Completed by: _____
First Name _____ Age _____

REMIND YOUR GROWN-UPS that natural gas has a sulfur-like, rotten egg odor. If you smell natural gas, **STOP** what you're doing, **LEAVE** the area immediately, and then from a safe location, **CALL 911** and Columbia Gas (1-800-344-4077).
