

COMING SOON

**Pipeline Enhancement
Project - Beach Road
Phase 2**

Columbia Gas[®]

WHAT: Columbia Gas and its contractor, Miller Pipeline, are set to begin Phase 2 of a pipeline enhancement project in Granger Township/ Medina County.

WHY: This project will strengthen the local natural gas delivery system.

WHERE: Along Beach Road, between Granger Road and Medina Road.

WHEN: Work will begin by early May.

NOTE: Of the 17 roughly active customers in this stretch, only 6 will need new service lines. The other 11 services will remain as is. **Please reach out if you would like to verify whether your service line needs to be replaced.**

Also, an additional 30 homes within this stretch will have access to new mainline that was not previously available. **If interested in gas service, please reach out to the contact listed to inquire on the next steps.**
